| 1 - 22" x 28" (around that size) poster board for decorating with photos of the child and child's loved ones. (leave at home until notified.) | |

Parents, it would be very helpful if you would arrange your child's pencil boxes in the following way; and please write your child's name clearly on each box and supplies:

1st box- put in scissors, Crayons, glue sticks, eraser

2nd box- put in markers and colored pencils

Thank you! This is a huge help for the beginning of school. Plan on bringing supplies ready to go on "back to school day" if possible. Please keep the poster board at home until it is your child's special "masterpiece" day; I'll send a masterpiece schedule home. I will have containers for the remainder items. Thank you very much and I'll see you soon! Mrs. Stouse
